Accelerated Math 7  
Final Exam Vocabulary

1. scientific notation
2. square root
3. cube root
4. power
5. monomial
6. rational number
7. irrational number
8. exponent
9. proportion
10. rate
11. unit rate
12. congruent
13. similar
14. scale factor
15. percent equation
16. percent proportion
17. coefficient
18. constant
19. like terms
20. empty set/null set
21. identity
22. solution
23. function
24. dependent variable
25. independent variable
26. slope
27. rate of change
28. measures of center
29. probability
30. theoretical probability
31. experimental probability
32. tree diagram
33. sample space
34. simple event
35. compound event
